President's Report

Executive Officer's Report

What is the eternal value of sport? Is it not in the life lessons we learn as we participate i.e. our attitudes, our actions, our responses, our goals, the way we handle the ups & downs of winning & losing.

The value in what we do is not in the end product but the journey itself.

One of the aims of C.S.S.A. is to "Foster Christian thought, practice and administration in relation to sport and sporting events within and between Christian schools". I like to view this aim as a partnership, working together with sports coordinators to further the Gospel of our Lord Jesus Christ.

In Philippians 1: 3-5 Paul writes: "I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now."

Over the past few years there has been continual growth in this partnership which has led to the part time employment of an Assistant Executive Officer: Amanda Butterworth 2 days/week.

It has been such a blessing to work with Amanda this year as she has brought a new & fresh perspective to the way the association operates, introducing many great ideas to help sports coordinators perform their job more effectively. i.e. Weekly Newsletter, Annual Report.

Amanda's main job has been to oversee the running of C.I.S. which has taken a heavy burden from my shoulders, enabling me to focus on the running of C.S.S.A. I look forward to our continued partnership in 2014 as the Committee of Management has formally appointed Amanda into a permanent part time position.

The National Christian Schools Games has been another exciting partnership that has taken place in 2013. For the past 12 years students from Christian Schools across Australia have come together to compete in the National Christian Schools Sports Championship in swimming & basketball. In 2011 Football (Soccer) was introduced.

This year the Championships took on a new format, known as the "National Christian Schools Games" which will be held every 2 years with multiple sports played over 4 days: Swimming, Athletics, Basketball and Football (soccer).

Our vision for the Games is to hold a high quality, sporting event that would honour God and that would recognize excellence in student sporting endeavour.

Our aim is to talk to the students about their relationship with Jesus and to challenge their priorities in life so that they bring glory & honour to God in whatever they do. As team managers & coaches met with the students each day for devotions it was exciting to hear the "Jesus" conversations being had and attitudes being challenged. It is an honour and privilege to be involved in the Games where Christ is the focus of all that we do.

I would like to take this opportunity to thank our state convenors, team managers, coaches, officials and others who have volunteered their time for the association. Without their hard work & dedication our students would not be given the opportunity to participate in so many events.

Finally I would like to thank the C.S.S.A. Committee of Management for their ongoing support and outstanding contribution they have made to the Association. Special thanks to Julie Kennedy: C.S.S.A. President, Neil Wescombe: C.S.S.A. Treasurer and our Principal Reps: Ken McCarron, Greg Batten and Warren Melville.

Thank you for all your support & encouragement.

To conclude my prayer for you is from Philippians 1: 9-11

Paul writes: "And it is my prayer that your love may abound more and more, with knowledge and all discernment, so that you may approve what is excellent, and so be pure and blameless for the day of Christ, filled with the fruit of righteousness that comes through Jesus Christ, to the glory and praise of God.

Linda Heslehurst
CSSA Executive Officer

Primary Sports Reports

In 2013 Christian Schools Sports Association (CSSA) has 77 member primary schools with nearly 11,000 primary aged students. In order to serve our member schools and students, in accordance with our Statement of Aims;

In 2013 CSSA organised and ran 5 State Championships,

8 Gala Days,

2 NSW Combined Independent Schools (CIS) Trials, and

6 Cricket and AFL Fun Days, for Primary aged students in our schools.

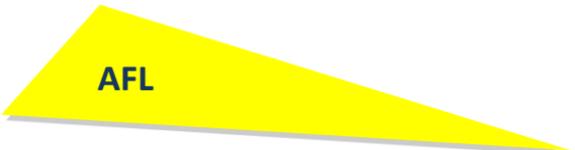

Almost 500 of our Primary students competed at NSW CIS Gala Days / Championships OR were nominated to try out for a NSW CIS team. 67 of these students were selected to represent NSW CIS at NSW Primary Schools Sports Association (PSSA) events. 11 of these students were selected to represent NSW PSSA at School Sports Australia (SSA) events. One student – Cassandra Fayers of Maitland Christian School won the SSA event – Cross Country. Others performed extremely well at these high levels and their achievements are listed on the relevant sport page.

What follows is a record of each sport our members participated in throughout the year and relevant information for each level of competition.

AFL

In 2013, CSSA in cooperation with AFL NSW/ACT, ran 2 AFL Fun Days. These days are designed to introduce children to the game of AFL by participating in a series of skills sessions and then using the skills in a game situation. The aim of the day is FUN. Fun in learning skills, fun in competition, fun in playing games and fun in participating in community with peers from other schools.

All attending teachers were given the opportunity to undergo a Level 0 coaching course, whilst their students were under the watchful eye and guidance of the AFL NSW/ACT coaching staff. These skills can be easily taken back to the schools and implemented in sport lessons.

We look forward to running more of these days in the years to come!

Secondary Sports Reports

In 2013 Christian Schools Sports Association (CSSA) has 63 member secondary schools with nearly 15,000 secondary aged students. In order to serve our member schools and students, in accordance with our Statement of Aims;

In 2013 CSSA organised and ran 4 State Championships,

9 Gala Days/Championships,

5 Trials for NSW Combined Independent Schools (CIS) teams,

5 Gala Days incorporating trials for CIS teams,

2 Trials for National Christian Schools Games teams, and

1 National Christian Schools Games (with other state associations).

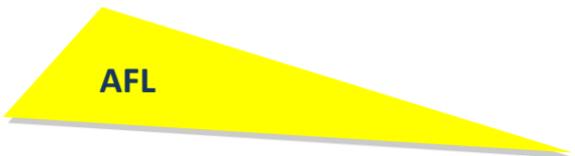

Almost 950 of our Secondary students competed at NSW CIS Gala Days / Championships OR were nominated to try out for a NSW CIS team. 115 of these students were selected to represent NSW CIS at NSW All Schools events. 13 of these students were selected to represent NSW All Schools at School Sports Australia (SSA) events. The achievements of our students are listed on the relevant sport page.

What follows is a record of each sport our members participated in throughout the year and relevant information for each level of competition.

CSSA year to date activity report

National Christian Schools Games

Since 2001 National Christian Schools Sport has been providing students with the opportunity to compete against students from Christian Schools in other states in a number of sporting Championships. In 2013, for the first time, the National Christian Schools Games were held, where 4 Championships have been combined to be contested in Gold Coast, Queensland over a 1 week period.

Purpose

The vision of the National Christian Schools Sports Committee is to hold a high quality sporting championship that honours God and recognises excellence in student sporting endeavours. The focus was also, to talk to the students about their relationship with Jesus and to challenge their priorities in life so that they bring glory and honour to God in whatever they do!

The National Christian Schools Games will be held every 2 years with multiple sports played over 4-5 days. The sports in 2013 were:

- Athletics
- Basketball
- Football (soccer)
- Swimming

Students from NSW CSSA Schools had the opportunity to trial for these teams leading up to the Games, with the possibility of representing NSW in multiple sports. 216 NSW CSSA students travelled to Queensland to compete at the Games. An Opening Celebration night was held at the beginning of the Games, a combined Championship dinner at the Outback Spectacular to close the Games and NSW CSSA students spent their last day at Movie World before flying home.

Nathan Adams of Tyndale Christian School was awarded the Rising Stars "Outstanding Performance Award". This award was based on Christian character, maturity and service to the NSW team.

The inaugural National Christian Schools Games were a huge success! Below is a summary of results.
