2015

Annual Report

Executive Officers Report

As I start writing this report I am sitting at the CSSA Primary State Tennis GD watching the Yr 5/6 Boys finals. It is so encouraging to see the boys play with not only the determination to win but with a spirit of good sportsmanship, congratulating each other after a winning shot. The day began in prayer acknowledging God for all that He has done and thanking Him for the gifts and talents He has given us. It is such a privilege to be part of a school system where we can be open about our faith in God and speak to our students about their relationship with Jesus.

I would like to share the following story from Lisa Mallard at Northern Beaches CS which shows how blessed we are to be part of the Christian Schools Sports Association:

The day before we played our 1st game in the Primary State Cricket KO Competition one of our Yr 5 boys passed away from a brain tumour. He was part of our team and was amazingly passionate about his cricket.

The boys in the team only found out the night before the game and had to leave early the next day before they could meet with school counselors & the rest of their class mates. There were lots of tears and the boys wore arm bands for their friend. Their coach & the boys prayed together before the game and there was a real sense of looking after each other - our opponents Pacific Hills CS were so supportive. I feel super blessed to be a part of this Association and to work at a school where we can pray with our kids and remind them of the important things in life.

I also had the privilege to attend the National CS Games on the Gold Coast in May with the NSW Team which consisted of 208 secondary students and 24 staff. Our team Chaplain Jim Dayhew: Nowra AC lead 3 devotions on:

1. Good Sport: It can't get better than this
2. Bad Sport: It can't get worse than this, and
3. Beyond Sport: It can and will get better than this

After each of Jim's devotions the students spent time with their coach in small groups discussing:

- What it meant to be made in God's image
- In what specific ways should the idea of being God's image bearers and representatives affect the way we compete throughout the week
- Temptations we experience in sport and
- There is more to life than sport - keep sport in its rightful place and not as an idol.

The feedback from students, coaches & team managers was so positive that I encourage you to take the time to speak to someone who attended.

Parent comment: Thank you most sincerely for the wonderful experience Liam had at the National Christian Schools Games. He spoke very highly of his experiences. The Games is such a powerful one in terms of their faith development and connection with God and each other.

The pathway to State and CIS carnivals begins back at school. There are so many people involved in providing this pathway for our students:

- Thank you to all sports teachers who are very rarely recognised for their hard work - day in, day out.
- Thank you to our Zone and State Convenors
- Thank you to our Selectors, Team Managers, Coaches and Chaplain involved in the National CS Games
- Thank you to our CIS Committee Reps, Selectors and Convenors
- Thank you to our CSSA Committee of Management in particular our President Julie Kennedy who fits into every category above, Neil Wescombe: Treasurer and Principal Reps: Ken McCarron: Greenacre Baptist CCS, Warren Melville: Dubbo CS and Peter Jamison: Wycliffe CS
- Thank you to Amanda Butterworth for her hard work and support.

To conclude I would like to leave you with this verse of encouragement from Matthew 19:26

“But Jesus looked at them and said to them, ‘With men this is impossible, but with God all things are possible’

National Christian Schools Games

Since 2001 National Christian Schools Sport has been providing students with the opportunity to compete against students from Christian Schools in other states in a number of sporting Championships. In 2015 the National Christian Schools Games were held on the Gold Coast, Queensland over a 1 week period.

Purpose

The vision of the National Christian Schools Sports Committee is to hold a high quality sporting championship that honours God and recognises excellence in student sporting endeavours. The focus was also, to talk to the students about their relationship with Jesus and to challenge their priorities in life so that they bring glory and honour to God in whatever they do!

The National Christian Schools Games will be held every 2 years with multiple sports played over 4-5 days. The sports in 2015 were:

- Athletics
- Basketball
- Football (soccer)
- Swimming
- Tennis

Students from NSW CSSA Schools had the opportunity to trial for these teams leading up to the Games, with the possibility of representing NSW in multiple sports. 208 NSW CSSA students travelled to Queensland to compete at the Games, they were accompanied by 24 staff. An Opening Celebration night was held at the beginning of the Games, a combined Closing Ceremony at Sea World to close the Games and NSW CSSA students spent their last day at Movie World before flying home.

Georgia Bowden of Inaburra School was awarded the Rising Stars "Outstanding Performance Award". This award was based on Christian character, maturity and service to the NSW team.

The second National Christian Schools Games were a huge success! Below is a summary of results.
