CARNIVAL ORGANISATION

Schools are expected to provide adequate supervision for their own students throughout the whole day. This venue has many areas for students to get lost in or misbehave, so every effort must be made to ensure that students remain in their stand area. Students must not be in the vicinity of the main administration/recording room.

Teachers responsible for the supervision of student spectators at the State Carnival CAN NOT act as carnival officials at the same time.

There will be a canteen open throughout the day operated by the Athletics Centre.

Schools are responsible to ensure that their students know which event they are in and that they are dressed according to the rules of the CSSA Handbook.

Please ensure that you have a copy of the current CSSA Handbook which can be downloaded from the CSSA website : www.cssa.net.au

Schools are responsible to ensure that their students know the CSSA Code of Conduct and Disputes & Discipline Policy.

Students must not go onto the grassed area inside the track for any reason. Students found breaching this rule may be disqualified from the carnival by the Carnival Referee.
