ABOUT US

Today's youth are facing more challenges than any other generation in the past. They are constantly bombarded with answers relating to their question of life purpose & identity but without discernment of what is right or wrong. More than ever, they are seeking authenticity & truth!

Word of Life Youth Ministry is reaching today's youth whose needs constantly change with Biblical principles that never change. Word of Life Youth Ministry exists to support local organisations in providing platforms for evangelism and discipleship for the purpose of seeing changed lives and growth in Christ.

Our two goals are:

- Every teen, everywhere, hearing the Gospel from a friend.
- Every student growing in their walk with Christ.

KICKOFF

WHAT IS KICKOFF?

KICKOFF is an evangelistic youth event bringing various youth ministries together for a night of large scale games and a Gospel message. Everyone that attends will be placed into 1 of 4 teams, each represented by a team name and colour.

The four teams will compete against each other in various games throughout the program, accumulating points for their team. The winning team will be announced at the end of the night. The Gospel message will be preached at around the halfway point of the event.

PROGRAM LOGISTICS

Program Duration: The program has a total run time of 2.5 hours. 2 hours of games and activities and half an hour of speaking, testimonies and follow up.

Venue / Maximum Attendance Ratio: If we only have access to 1 court
gymnasium: max of 100-150 teens. If we have access to 2 gymnasium courts – max of 200-250 teens. We will require at least 2 hours to set up at the venue before the event, and a further 2 hours to pack up afterwards. Word of Life has liability insurance for KICKOFF.

WHAT IS BATTLE ZONE?

BATTLE ZONE is a unique sport that combines elements of dodgeball, and other combat-type games with the timeless skills of archery and human foosball.

For archery tag, players compete in teams of 2 in a bracketed competition. They will take aim at each other with our non-lethal arrows to score points or eliminate opposing team members until one team has won.

For human foosball, a total of 7 players from both teams push and pull along the field's poles to work as a team in defending and attacking with the end goal of kicking the ball into the opponent's goal. The team with the highest number of goals by the end of the timer wins.

The Gospel message will be preached at around the halfway point of the event.

PROGRAM LOGISTICS

Program Duration: The program has a total run time of 2 hours (1.5 hours of archery tag fun and half an hour speaking, testimonies and follow up). We require 1.5 hours to both set up and pack up. Battle Zone can be run in a large hall or one gymnasium court.

Maximum Attendance Ratio:

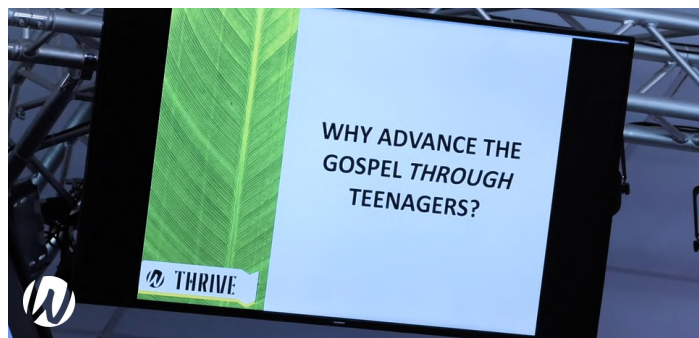

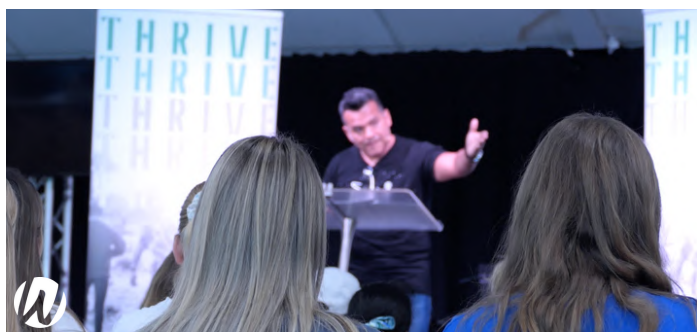

Battle Zone is a program for 40 – 80 students. Word of Life has liability insurance for the event.

WHAT IS THRIVE?

THRIVE is a conference that equips young people on how to share the Gospel. Students are challenged to have a bold vision and are trained to pray, care and share the Gospel with their lost friends. Over the course of THRIVE, students will receive engaging classroom training, dynamic team activities and guided daily reflection time all geared towards equipping them to THRIVE in a Gospel advancing ministry and to grow in their relationship with Jesus. Students will be challenged, equipped, and sent out into the community to put into practice the principles they have learned about being leaders in Gospel conversations and through this they will grow as a follower of Jesus.

PROGRAM LOGISTICS

THRIVE can be run in your local youth group, as a combined churches conference, or even as a Christian school resource. Our desire is to customise THRIVE, based upon your needs and location. We currently have two options of how this can run:

- **ONE DAY INTENSIVE:** One day teaching intensive where we can come and train your group on the foundations of advancing the Gospel.
- **THREE DAY CONFERENCE:** For the most comprehensive experience, we suggest the three day conference of teaching and community outreach to provide the opportunity to put into practice the training directly which will help solidify the teaching in the lives of teens.
