It was a fantastic day enjoyed by all.

This year saw an increase in team entries from 13 teams in 2014 to 19 teams - which is great to see.

We were very fortunate to have Ruth Dorman from NSW Hockey in attendance as a selector for the CSSA Rep Teams.

Ruth is very keen to support schools in any way with their hockey programs/development.

Ruth's contact details are:

REPORT:

Once again the CSSA Sec State Hockey GD 2014 was a great success.

We were blessed with fantastic weather & very few injuries.

The umpires were of a very high standard & the venue was exceptional.

I would like to thank the coaches for playing a very big part on the day ensuring that God was honoured in the way their teams played & showed respect for their opponents.

It was encouraging to watch the players enjoying themselves & more importantly showing great sportsmanship.

The CSSA Open Girls & Boys and 16&U Girls Hockey teams were selected on the day.

We wish them all the best at the CIS Sec Hockey GD's.
