

Drop off/pick up instructions for Bus Drivers/School staff.

Drop Off.

Schools will be permitted to drop off in front of SOP Aquatic Centre in bays marked 1,2 and 3 on Map 1 below. Buses can park in Coach Pod C (Overflow bus parking available in Coach pod B) (see Map 2).

Have an A4 sheet displayed in the windscreen of your coaches with an 'A' for access.

Follow access route marked on Map 1 below:

1. Enter Sydney Olympic Park via Sarah Durack Ave.
2. Turn south onto Olympic Blvd. (you will not be able to turn north onto Olympic Blvd towards Aquatic as the turn will be too tight)
3. U-turn at the turning circle, near the Tennis Centre to drive towards the Aquatic Centre.
4. Pull into bays 1,2 or 3 for drop off.
5. There is also an option to drop off at Quaycentre interchange, Bay 3. (Map. 1)
6. No parking is available along Olympic Blvd.
See map for capacity of each bay to ensure you will fit for drop offs.
 - a. There will be waist high barriers along the kerb at bay 1, these will need to be opened into the footpath to allow coaches to unload. Please close again after use.
7. If all bays are full, Coach Pod C is available to drop and park.
8. Pedestrian routes are available from the coach pods (see Map 2).
 - a. From Coach pod C, use the tunnel under Edwin Flack Ave.
 - b. From Coach pod B, use the pedestrian lights to cross Edwin Flack.
9. Buses can park for the day in Coach Pod C. Coach Pod B is also available for any overflow.

Pick Up.

If you would like to pick up outside Aquatic Centre, schools must provide 2x staff members to coordinate buses leaving Coach Pod's, and buses arriving for pick up.

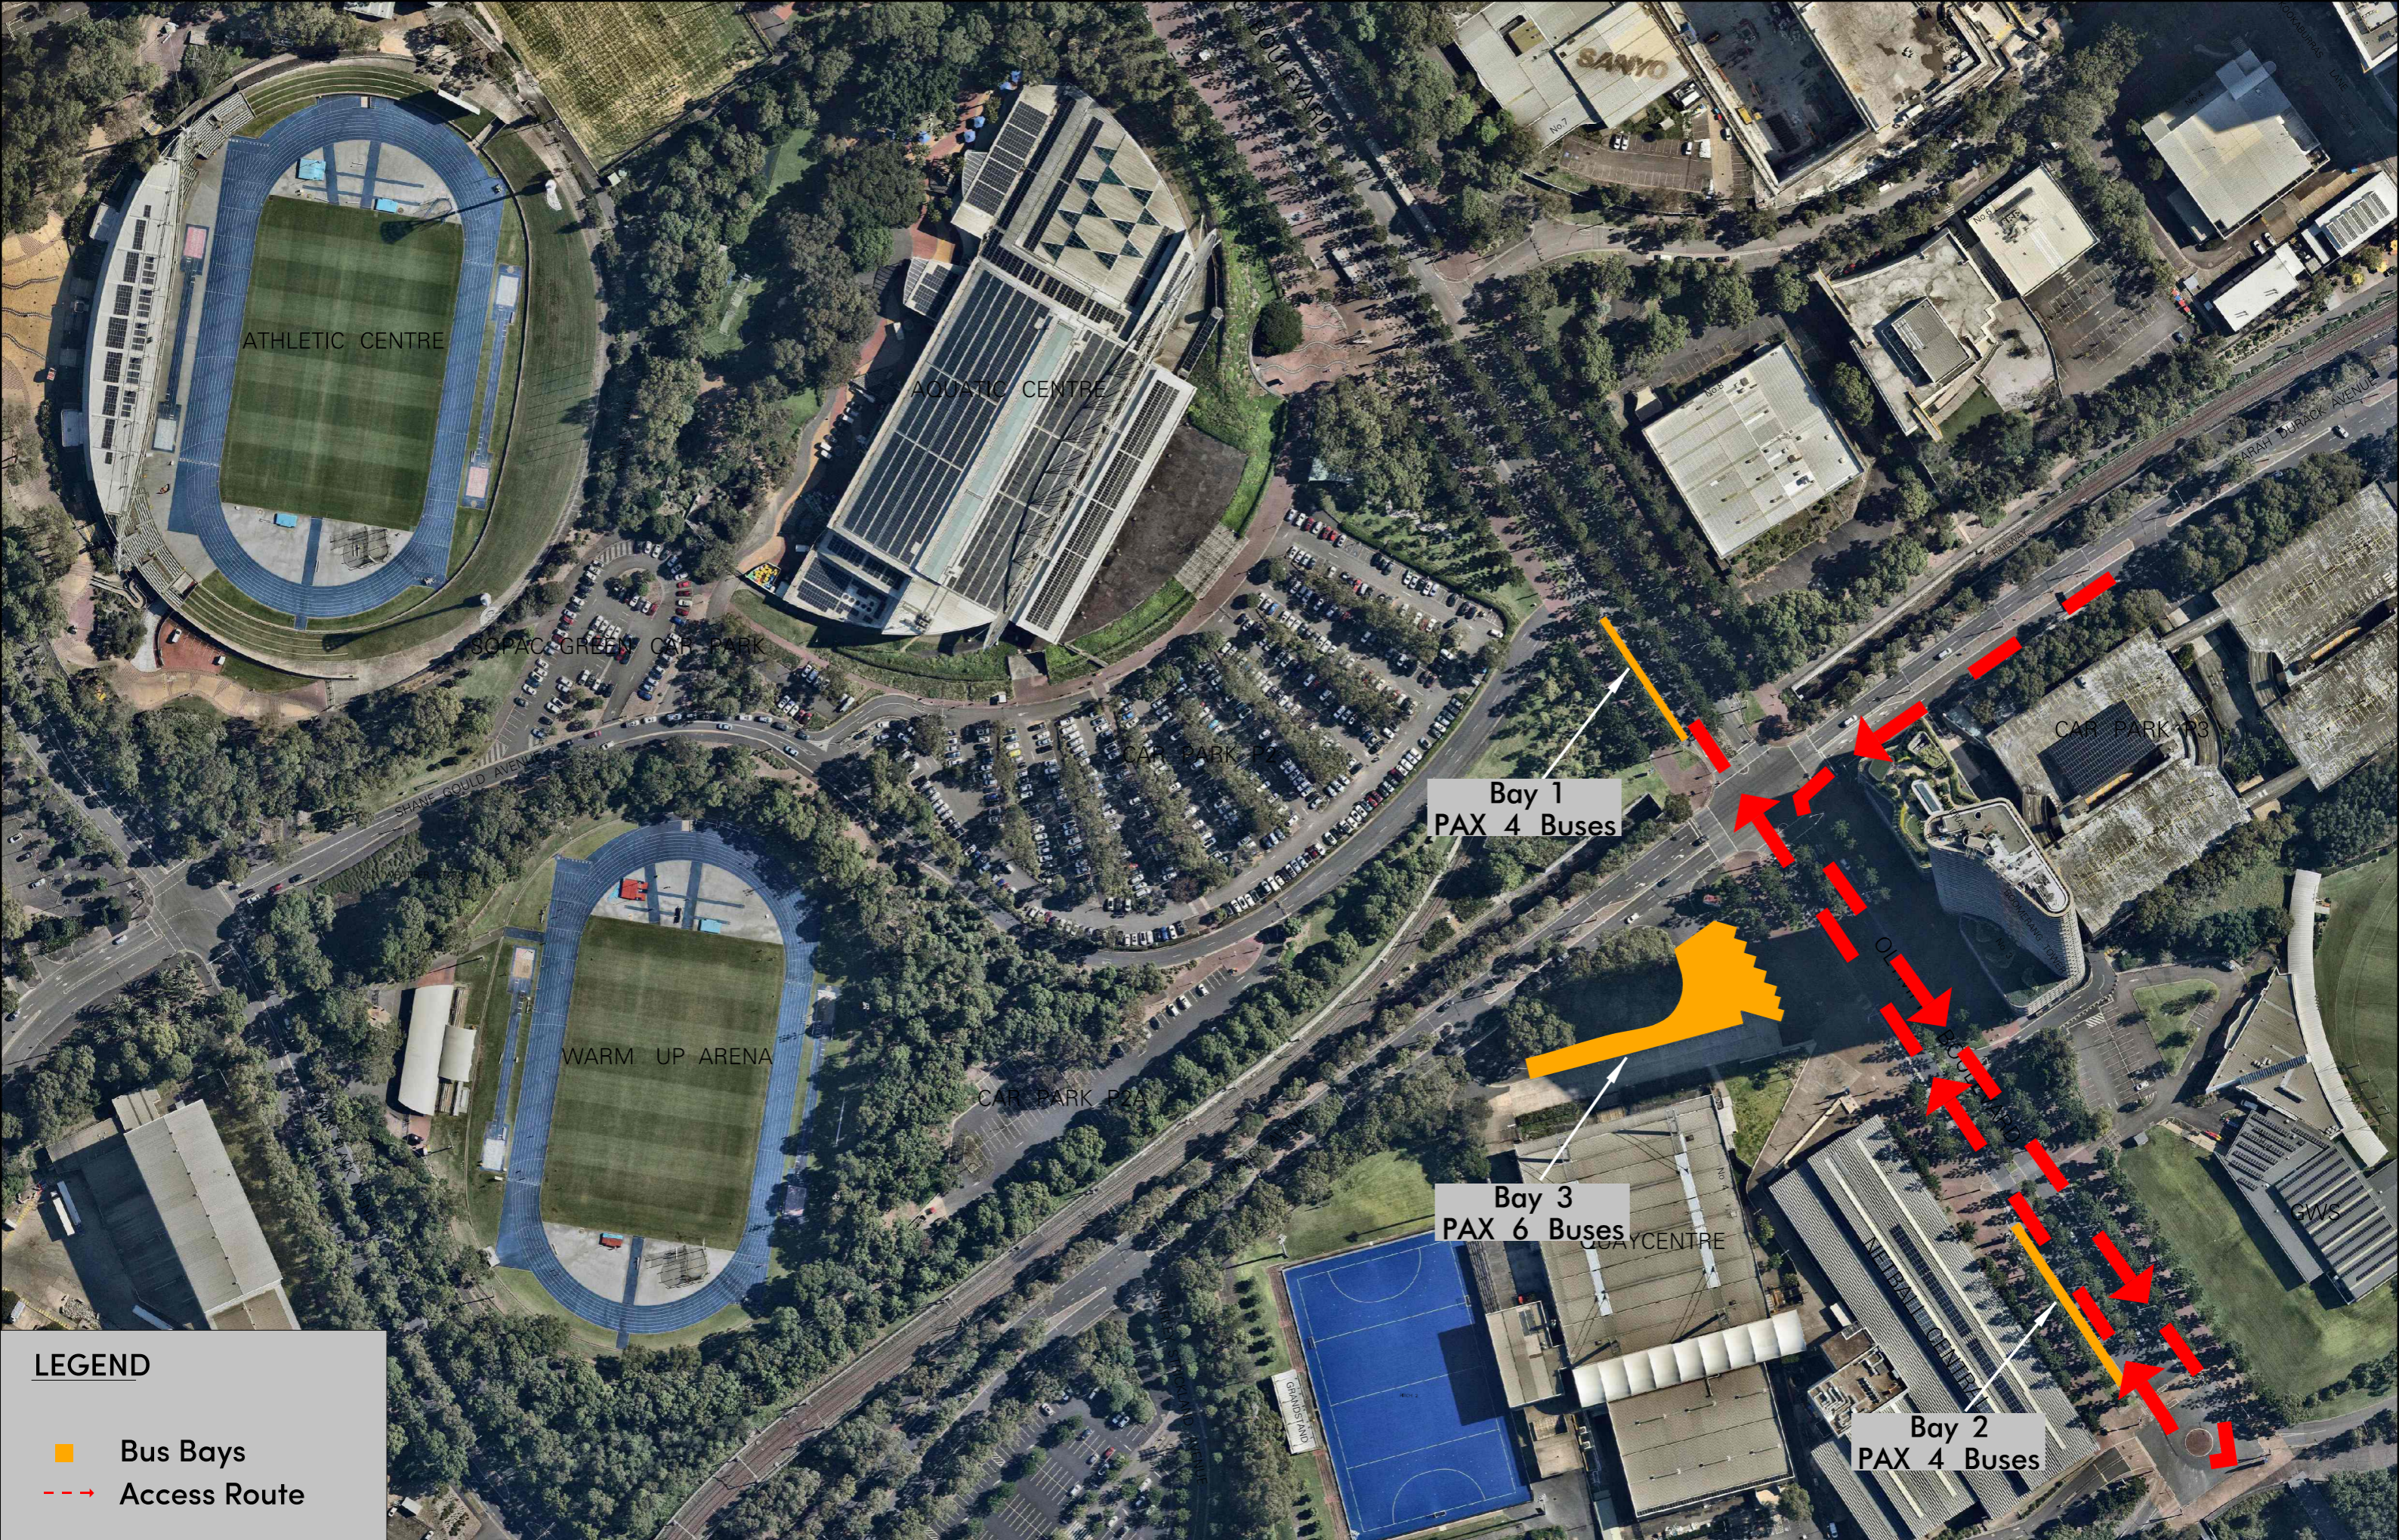

If this is not possible, please follow pedestrian routes to your buses in Coach pod C/B shown on Map 1. To get to Coach Pod C, use the tunnel under Edwin Flack Rd. To access this, there is signage directing you down escalators (lifts available for accessible access) when you reach P1.

If 2x staff can manage pick up:

Buses moving between coach pod and Aquatic for pick up need to be managed so coaches are not queueing up before designated bays are vacated and causing traffic delays.

This is especially important for any event pick up occurring between 7 pm onwards when there will be a higher volume of Royal Easter Show buses in the area.

1. Buses follow same route for pick up as drop off.
2. 1x school staff member to manage coaches leaving Coach Pod, 1x staff member to manage coaches arriving at Aquatic/ schools loading up.
3. We recommend loading one school at a time in Bays 1,2 and 3 (Map 1). Once most of the buses have left Bays 1,2 and 3, and next school is ready for pick up, Staff member outside Aquatic should notify staff member at Coach Pod C to start that school's buses moving towards pick up locations.
4. Barriers along Bay 1 will need to be opened for loading, and closed once final bus is loaded.
