The following new table tennis model **"Have A Go"** has been developed with the expertise of teachers. It caters for all ages and all abilities and is fun, engaging and easy to implement. We can also cater for students with a disability.

**You don't need a table tennis table**  
Any table can be used with our retractable net.

## Teacher Resources

We provide a manual with lessons, activities and information **FOR FREE**

A **full copy** of the following resource can be emailed to a coordinating teacher as well as link to video resources.

### **Try before you Buy!**

We provide our **\$600 kit with 15 retractable nets, 30 bats and 50 balls FOR FREE for 3 weeks** to implement lunchtime, class or sport time programs.

Great for wet weather as well

### **A try before you buy concept.**

After 3 weeks your school can purchase the kit or we will arrange for it to be moved onto another school.

Sporting Schools money could purchase the kit.

### **Coaches & Inservice Training**

Coaches can be provided &/or a 90 minute Teacher Professional Learning (TPL) session for schools

Our staff can also organise and conduct end of term gala days/zone gala days and state competitions

### **Short on storage?**

If you want to purchase a table tennis table and storage is a problem just buy a table tennis top that sits on a desk/s. When stacked up against a wall they take up only a small space.
